DETAILED ACTION

Allowable Subject Matter

1. Claims 3-8 and 10 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fail to teach or suggest, alone or in combination, the limitation: "a level mounted interior of the mast member but visible from outside the mast member through the aperture in the mast member" as claimed in claims 3 and 4; at least two levels supported by the mast member, inside the hollow member, one arranged in a first plane, and arranged to be viewed outside the hollow wall from a front of the mast member , through the aperture, and another, arranged generally normal to the first level, arranged in the first plane, and viewable from outside the hollow wall from a side of the mast, through the second aperture" as claimed in claim 5; and "wherein the mast member has apertures therethrough and the level is supported by the mast members using the apertures" as claimed in claim 8. It is for this reason in combination with all the limitations in the independent claims 3, 4, 5 and 8, that claims 3, 4, 5-7, 8 and 10 are allowable over the prior art of record.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
